

Parents You Are Cordially Invited

**Sickle Cell Disease Association of Illinois
PRESENTS.... "A Baby Shower" for
Babies with Sickle Cell Disease**

Hello I am Tamiko Brooks, Project Coordinator for the Newborn Screening Program for the Sickle Cell Disease Association of Illinois (SCDAI). I hope this invitation finds you and your baby in good health. I trust everything is going well and your baby has been successfully set up with a Pediatric Hematologist and taking Penicillin B.I.D (twice a day). We would like for you and your baby to join us:

DATE: SATURDAY NOVEMBER 20, 2010
TIME: 2:00 PM – 4:00 PM
LOCATION: SICKLE CELL DISEASE ASSOCIATION OF ILLINOIS (SCDAI)
8100 S. WESTERN AVE
CHICAGO, IL 60620

When my daughter was diagnosed with Sickle Cell Disease I had a lot of questions, issues, worries and concerns that needed answers. I felt at ease when I talked with other parents of children with Sickle Cell Disease through the SCDAI organization.

- Do you face the same issues?
- Would you like to meet other parents of babies with Sickle Cell Disease?
- Would you like to become more informed about your baby's illness?

If you answered yes to any of the above
SCDAI can help!

****Games, Refreshments and Gifts for your baby will be provided****
